

**RHODE ISLAND NUSERY & LANDSCAPE ASSOCIATION, INC.
90TH ANNUAL SUMMER MEETING AND TRADE SHOW**

WEDNESDAY AUGUST 5, 2009 8:30AM – 4:00PM

**GLEN PARK (TOWN OF PORTSMOUTH)
GLEN RD PORTSMOUTH, RI 02871**

You are cordially invited to attend the Rhode Island Nursery and Landscape Association, Inc. 90th Annual Summer Meeting and Trade Show on Aquidneck Island. It is great to be back on the Island as we have been away for many years. Glen Park is a beautiful park located close to the many sponsors and nurseries that are so well known in the industry.

There will be a full day of activities for both owners as well as employees. So, please bring a group to enjoy the day. Your company will be able to compete in the many events that will take place on this day or just team up with others on one of the pick-up teams. Come prepared to play softball, soccer, volleyball, as well as, horseshoes.

If sports are not your thing, plan on taking one of the bus tours that will be available to the many sponsors and nurseries on the island. If you have never visited any of these facilities, this will be a great opportunity to see what the industry on Aquidneck Island has to offer. A list of specific tours will be provided on www.rinla.org, as well as, being included in the mailing that you will receive before the summer meeting with the registration form.

The exhibit tent will be bustling with activity. Take some time to visit and support these exhibitors as they help to underwrite and keep down the cost of the ticket price. Without the support of our exhibitors, we would not be able to have our summer meeting. New this year, will be an area where the exhibitors can speak and highlight new and exciting products that they have to offer.

We are also hoping to have some demonstrations of tree spade digging, proper planting and mulching, paver installation and sod and seed installation.

Food will be plentiful. We will start with coffee, juice and pastries in the morning followed by soup, hot dogs, hamburgers and sausage subs at 11:00am followed by the main meal of barbecued chicken, steak, and potato and pasta salads at 2:00pm. Soda and water will be provided all day by our many sponsors.
